

Welcome back to the second half of the summer term, we hope you all had a relaxing half term and are ready for all we have planned this half term.

Kittens and Cubs

This half term both rooms are focusing on holidays, beaches and the seaside. If you are going away on holiday or days out to the seaside please can you bring us in photos of your days out or even send us a postcard from your holiday destination. Through doing this we are then able to share experiences with your child and develop their knowledge in key areas of the EYFS.

Pre-School

We have set up our Pre-School area for this half term. Zoe will be trialling activities and sessions on a 1-to-1 and small group basis, for our 3 and 4 year olds before we start it properly in September. Zoe is a qualified teacher so has a good understanding of how this area should be run and how to prepare the children for school.

If you are interested in a space for September or would like some more information please feel free to ask us.

Staff

We have 3 new members of staff joining our team this half term. Claire and Sarah are joining our Cubs room team and Vicki will be supporting all rooms after school. All 3 ladies have experience of working in childcare settings and will be great additions to our team.

Claire

Sarah

Vicki

Healthy Eating

Here at Home from Home Childcarers we aim to promote healthy eating. The meals and snacks we provide are planned to support children's nutrition. As part of this we are encouraging you to support us, if you send your child in with a packed lunch we ask you to provide a balanced healthy lunch.

We have found a website that we find gives you some great ideas of what to include in a healthy lunch box: <http://heas.health.vic.gov.au/schools/healthy-lunchboxes>. We have copies of the chart in reception for you to help yourself to.

Summer Term 2 2018

Medicines/Injections

If your child has to have any form of injection/jab then they are required to remain off until the following day in case of a reaction.

If your child is prescribed any medication they have to have had at least 2 doses of it before being allowed in, in case of a reaction.

Invoices

We are now sending all invoices out on the BabysDays system, so all parents should receive an invoice by the 10th of each month. Please privately message us on the work phone - 07512 201850 if you haven't received, we will send it again.

Holiday's

If your child is off on holiday or if you require extra care in the school holidays, please tell us ASAP so we can staff our rooms accordingly.

Sun Cream and Hats

Now that the weather is getting warmer we ask that you provide sun cream and hats for your child to keep them protected when we are in the garden and out on walks.

REMINDER!

Please can you remember that we are a **NO PEANUTS AND NO NUTS** building! This includes Almonds, Hazelnuts, Walnuts and Coconut, as well as products such as Nutella!

We have both a member of staff and children with severe nut allergies.
